## One Day Seminar on Intellectual Property Rights Management

The Department of Pharmacy organised One Day seminar on “Intellectual Property Rights Management” on 24<sup>th</sup> Apr 2023. The resource person for the sessions was Prof. C. Rajesh Jampala, P.V. Siddhartha College of arts & Science, Dean (Academics & Administration), Professor & Head, Department of Business Administration.

The Seminar proved to be an insightful forum for discussion of IP developments and their application in India. Additionally, a few students made presentations are towards introducing the themes for the main sessions. Objective of the seminar is to create awareness about IPRs, especially patents and copy rights among faculty members of to guide researchers/inventors in respect of patenting their inventions & to provide insight into practical applications of IP such as patent drafting, patentability search and freedom to operate search, validity/invalidity search, and evidence of use analysis. Prof. C. Rajesh Jampala discussed the nature of IPRs, its litigations and the law defining the subject-matter. He further dealt with the hype about pharmaceutical patents in India and the application of Alternative Dispute Resolution (ADR) processes to such disputes. A total of 58 students from the college participated in the Seminar. This seminar will bring a positive transformation in the faculty member’s attitude in their UG/PG Projects and research works and get them more focused as well as result oriented.

## One day Seminar on “Problem Identification, Ideation & Conceptualization for Start-up enthusiasts”

The Department of Pharmacy organised One Day seminar on “Problem Identification, Ideation & Conceptualization for Start-up enthusiasts” on 31<sup>st</sup> Mar 2023. The resource person for the sessions was Dr. T. Sree Krishna Professor & HOD, RVR & JC college of Engineering, Gudur.

The speaker has given the idea about level in every kind of organization, problem identification, ideation and conceptualization, design thinking provides the tools you need to become an innovative thinker and uncover creative opportunities. Students asked a lot of question to the speaker and got all their doubts cleared. Participants were enlightened with the knowledge of resource person. The startup ecosystem in India is growing at a fast pace. We are excited to be a part of this system and want to contribute to the creation of more startups in the region. In this workshop we present you with moving problems that concern all of us and through the sessions we help you develop ideas to solve these. We introduce tools to help you assess the commercial attractiveness of the idea as well. In this seminar 52 Students were participated

## “One Day Seminar on Research Integrity and Publication Ethics”

The Department of Pharmacy organised One Day seminar on “Research Integrity and Publication Ethics” on 28<sup>th</sup> Feb 2023. The resource person for the sessions was Dr. Babu Rajendra Prasad Suryadevara, Associate Professor of Business Administration & IQAC Co-ordinator, P.V. Siddhartha Arts & Sciences, AP.

The esteemed speakers focused on the main aim was to create awareness of Research Ethics among the research fraternity for the best practices of students and at the same time up skill them with hands-on training in Turn tin, a software tool to detect plagiarism. And also speaker to create clear understanding of the ethical boundaries in publication is essential for researchers and authors. Plagiarism, research fraud, undisclosed competing interests, not acknowledging all authors are a few of the issues that can threaten not only the integrity of the science, but also one's standing in the scientific community. Academic theft (intentional or unintentional) is a serious theft /offence demanding no tolerance and in all forms is punishable.

Therefore, the current seminar is an effort to enlighten the all the students regarding publication ethics. The seminar will provide the scholars with an overview on how to up bring an original research work and to understand the core principles of ethical research. Thereby the participant would strive to become an ethical researcher and produce an original quality research work. 57 students attended the seminar.

## One day Seminar on Team building

The Department of Pharmacy organised One Day seminar on "Team building" on 17<sup>th</sup> Dec 2022. The resource person for the sessions was Dr J PANDURANGARAO, Lecturer and HOD of Commerce Department, PR government College, Kakinada.

Team building is any action or method that brings a group of individuals together and motivates them to work cooperatively as a team. The success of most of the organizations depends on the ability of individuals to build effective teams. Employee motivation is the level of energy, commitment, and creativity that employees of an organization bring to their jobs. Managing an organization and improving its performance on a continuous basis requires efficient and effective Leaders especially in today's complex work environment and highly competitive scenario. This training program will help the participants to enhance their knowledge and skills for building effective teams, how to motivate employees on a continuous basis and developing leadership qualities to improve the performance of the organization. 56 students attended the seminar.

## One day Seminar on Research Integrity and Publication Ethics

The Department of Pharmacy organised One Day seminar on **Research Integrity and Publication Ethics** on 19<sup>th</sup> November 2022 The resource person for the sessions was **Dr. A. Adishesha Reddy**, Working as Professor & HOD in School of Management, LBRCE, Mylavaram, Krishna district, A.P.

The esteemed speakers focused on the main aim was to create awareness of Research Ethics among the research fraternity taking a cue from the best practices of Pharmacy students and at the same time upskill them with hands on training in Turnitin, a software tool to detect plagiarism. Speaker to create clear understanding of the ethical boundaries in publication is essential for researchers and authors. Plagiarism, research fraud, undisclosed competing interests, not acknowledging all authors are a few of the issues that can threaten not only the integrity of the science, but also one's standing in the scientific community. Academic theft (intentional or unintentional) is a serious theft /offence demanding no tolerance and in all forms is punishable.

Therefore, the current seminar is an effort to enlighten the all the 51 students are participated in the publication ethics. The seminar will provide the scholars with an overview on how to up bring an original research work and to understand the core principles of ethical research. Thereby the participant would strive to become an ethical researcher and produce an original quality research work.

## One day Seminar on Intellectual Property Rights: Trademark

The Department of Pharmacy organised One Day seminar on **Intellectual Property Rights: Trademark** on 17<sup>th</sup> September 2022. The resource person for the sessions was **Dr. G. Syam Prasad** Working as Professor & Head, Department of IT in Narasaraopet Engineering College. AP

The main aim of the seminar is to bring awareness about the trade mark among the students. A trademark identifies the brand owner of a particular product or service. Trademarks can be used by others under licensing agreements. A trademark identifies the brand owner of a particular product or service. Trademarks can be used by others under licensing agreements. The Resource Person presented his views about various aspects of property rights and its relation to trademarks. The speaker highlighted about Registration of Trademark, Classification of Trademarks, Opposing a Trademark Registration and Infringement of Trademark. 51 of students participated in the seminar.

## One day Seminar on “Strategies for IPR and Plagiarism Risks”

The Department of Pharmacy organised One Day seminar on “**Strategies for IPR and Plagiarism Risks**” on 27<sup>th</sup> August 2022. The resource person for the sessions was **Dr. Padma Narayan B** Working as Associate Professor, International Business, GITAM School of Business, Visakhapatnam. AP

The seminar aims at bringing the information regarding necessity of the up-to-date information on Awareness on Intellectual Property Rights and Patents. Academic research perspective, Innovative steps to quality and success. Protecting and exploring IPRs. Way to improve the IP. The resource person highlighted about Intellectual property rights and patents, research perspective of IPR, Role of IP policy and IP cell, Anatomy of patents and patent claims. Plagiarism allegations can cause a student to be suspended or expelled. Their academic record can reflect the ethics offense, possibly causing the student to be barred from entering college from high school or another college. IPR and Science & Technology transfer, Protecting and exploring IPRs and Hands-on training. 51 students attended for this seminar.
