## Report on “Employability skills” program.

**B. Pharmacy and M. Pharmacy Students** participated in “Employability skills” program organized by Training and Placement Cell on 04<sup>th</sup> March 2019.

The programme main concept is to enrich employability skills and enhance communication & Inter-personal skills. In this program nearly 53 students are Participated in our institution. Those received completion certificates for the Employability Skills. The resource persons explains Employability Skills which are needed to speak and write properly. Every student mindset is occupied by skill development. Employability skills occupies in the hearts of many and some it is a part and parcel of life. For this we need to understand that we all have a set of transferable skills. These skills are not specific to one particular career path but are useful across all employment sectors.
