Report on Technologies training and campus interview and life skills.

B. Pharmacy and M. Pharmacy Students participated in Technologies training and campus interview and life skills organized by Training and Placement Cell on 09th March 2022.

In this workshop nearly 107 students are Participated in our institution. In this Training Program, the resource Person explained what are interview and life skills and why are the important? Life skills are the abilities and behaviors that help you deal effectively with the events and challenges of everyday life. They are the skills that allow you to handle everything from instructions with others to identifying and processing your emotions. Everyone need to be able to communicate with your employer, your collogues and your customers and clients. The students are learned tremendously of this Program.

Report on "Career development program".

B. Pharmacy and M. Pharmacy Students participated in 'Career development program' organized by Training and Placement Cell on 29th January 2022.

In this workshop nearly 107 students are Participated in our institution. In Career counseling is a process that helps individuals identify and explore career options, make informed decisions about their future, and develop strategies to achieve their goals. It can be helpful at any stage of life, but it is especially beneficial for young people who are just starting out in their careers.

Career counseling not only helps in making you a great personality but it will help you to make you a more organized and a better person by various modern methods. Helps in gaining Right skill. Career counseling helps you to gain focus which can truly reflect in our deeds & work.
